

TOWN BOWLS AC CROQUET SECTION

Association Croquet has this season become a permanent part of the club.

Croquet is played weekly on Thursdays 11am-5pm and on Fridays from 11am-1pm as a short practice session.

This form of croquet is a challenging and intriguing sport requiring tactical ability, judgement and skill rather than the strength and fast reflexes needed for most sports.

Everyone is equal on the croquet lawn. This game ensures that players of all standards can play each other fairly, due to a handicapping system which allows weaker players further chances.

It is a game often likened to snooker, where the skilful player can keep playing for several shots.

- **To find out more :**

- Call in to the Club on a Thursday afternoon ,one of the sessions when we play, have a chat and pick up an information leaflet.

- Send us an online message by going to the Contact page on this website and filling in the On Line Message form.

- Write your query and a contact detail and put it into our mailbox (on the right of the gate). Someone will get back to you.
